Dear Members,

Help us ensure a great party, we ask you to please read the followings thoroughly and contact us with any questions or concerns before your party. We will contact you one week before your party to confirm your food and beverage menu and get a confirmed guest count, but feel free to contact us at any time with questions or concerns.

**CONFIRMATION PROCESS - GUEST COUNT** - Our pricing is based on your confirmed menu. An accurate head count is essential to plan your party. We can make small adjustments the day of your event (reduce the food order, but not less than one party package for dine-in party). One party package is maximum of 12 guests.

We assign **breakers** is the only dining area. We will consider a request for a specific party room for games and entertainment, but we assign rooms based on the most appropriate fit for your entertainment. We will do our best to accommodate your requests, but use of **Tennis courts** for ball games is NOT applicable. Function room allocation, food and beverage count, etc. are based on the needs and consumption. We generally cannot give function room for dining simply because of our hygiene measures.

**START TIME** - Please advise your guests to arrive any time after your booking time. We pack a lot of action into our parties and generally cannot delay the start of scheduled activities.

**FOOD AND DRINK** - Our party packages include food and drinks for up to 10 persons. Additional food and drink are available, Outside food and drink are not permitted, with the exception of birthday cake. If you have specific dietary concerns, please call us to discuss how we can best accommodate your needs.

**DECORATIONS** - We provide basic dining utensils, including cups, napkins, plates, forks, etc. You are welcome to bring your own supplies, including decorations, but please note that no large decoration is allowed in the restaurant, but table decorations are welcome to setup in 1 hour before your party's scheduled start time, please try to avoid bringing sparkles, confetti, silly string, or any other decorations that are difficult to clean up.

**ADDITIONAL GUEST FEE** - Additional guest fee will be applied if your guest would like to use other club facilities during your party time, such as Swimming Pool, changing room, fitness center etc.

**PARTY DURATION** - Our parties are scheduled for 3 hours, plus or minus 15 minutes. Please keep this time frame in mind since we may need to prepare restaurant for normal business.

**OTHER USER IN breakers** - Most parties are mixed with other user in breakers. We cannot promise that your party will be alone in breakers. If you believe you must have an exclusive party or games, please contact us well in advance of your party to discuss in details.
