

Frequently Asked Questions – Audio & Sound Equipment

PA SYSTEM

Q: What is included with the complimentary PA system?

A: PA system with 4 microphones are included. For events at The Verandah, four TV screens (65 inches) will be provided; for The Marquee, two TV screens (65 inches) will be provided.

Q: What is the input format if I need to connect my PC/ iPad?

A: Our system supports HDMI input.

Q: Can we bring our own PA system for our event?

A: Yes. Please note the Management reserves the right to request that you lower the volume of music or amplified sound if it is deemed excessive.

MUSIC AND VIDEO

Q: What format of music / video files should your system support?

A: You may arrange music in MP3 format and video in MP4 format.

Q: Can our live band use your PA system for their musical instruments?

A: No musical instruments or equipment can be plugged into our PA system.
